The file server will be restarted tonight at 5:00 PM. All FoxPro users must be off of the system before the reboot to prevent data corruption. Please make sure that you communicate this to your staff.

Thanks.....Dina

Warren,

Dina said any time after 5:00 PM. I suggest that I start patching at 5:00 PM and reboot at 5:15 PM.

How about we schedule the downtime for 5:00 PM to 5:45 PM to give us some wiggle room.

Thanks,  
Keith
